

Take part in 3 or more qualifying UK Triathlon Events in 2024 and see if you can win your age group or even the entire League.

Your 3 highest scoring events will automatically count as your total score.

The more events you do increases your chances of a better score.

Any Sprint or Olympic qualifies.

Only people who are female sex at birth are eligible to compete in the Female category. All individuals including transgender people are eligible to compete in the Open category.
